Never forget the Russian Hacking of my election campaign in 2016.

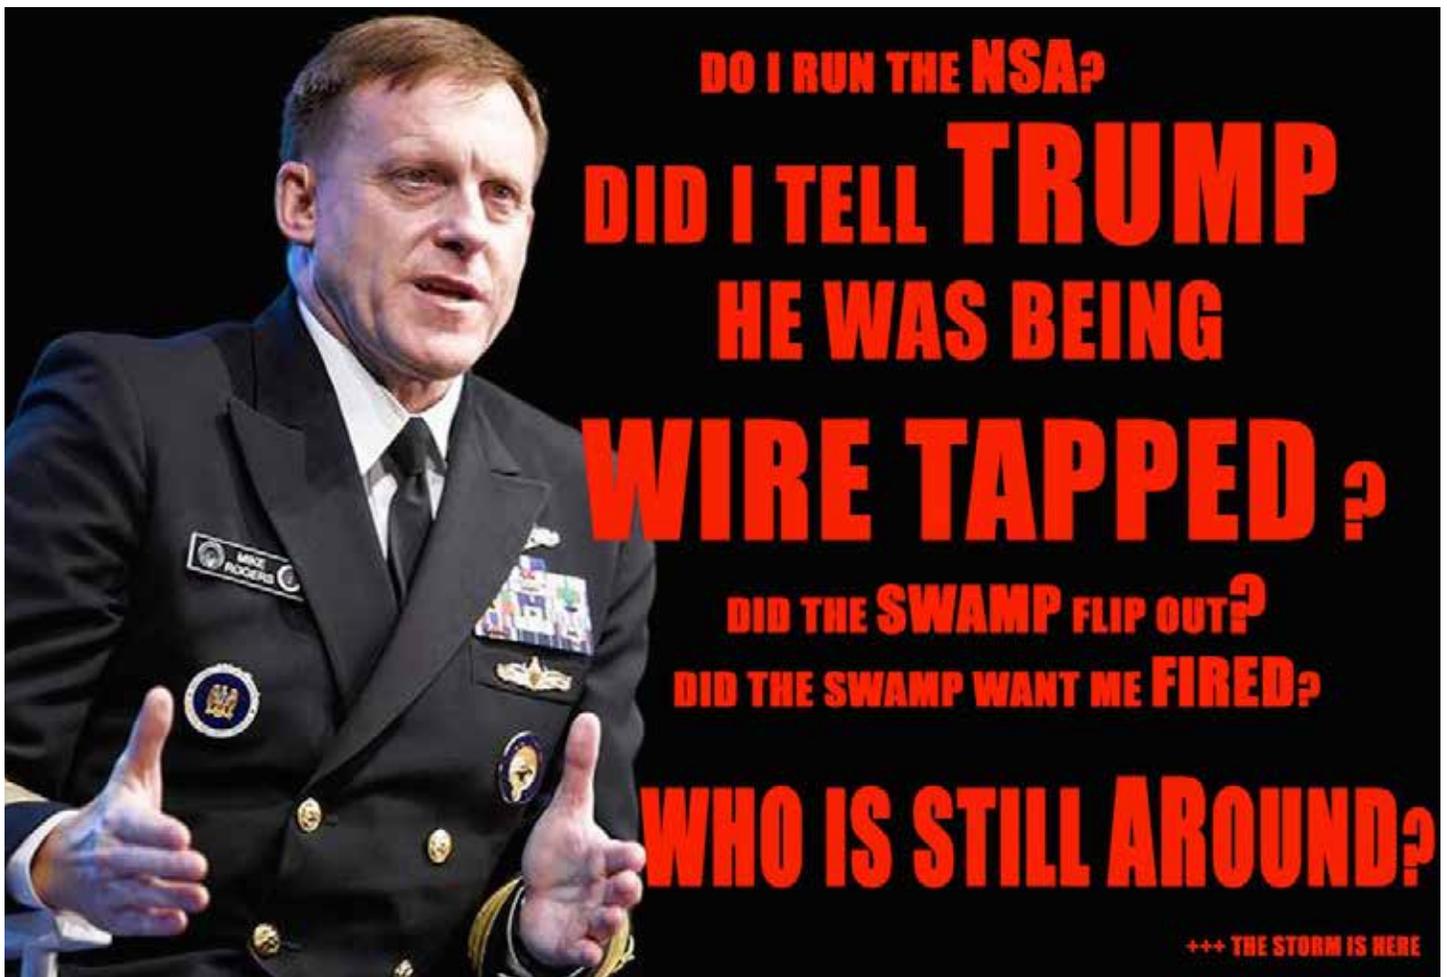

1. On August 2016, GCHQ/CSO filed for permission to execute Project FULSOME at the request of OBAMA, seeking intelligence gathering into TRUMP. #SpyGate

- 1. On 28 August 2016, GCHQ/CSO filed for permission to execute Project FULSOME at the request of the US President, seeking intelligence gathering into the Trump Organization and Donald J. Trump for President, Inc. (DJP) located at 725 5th Avenue, New York, NY, USA. Activities include foreign and US domestic signals collection, in regards to communications with Russian hostile actors.
- 2. IOCCO approved FULSOME on 15 September 2016, allowing 90 days of initial SIGINT gathering, with the potential for renewal, should the situation allow. This memo's purpose is to request a 90 day renewal of FULSOME's original charter, with further potential for renewal, thereafter.
- 3. Since FULSOME's start, a clear pattern of actionable leads have accrued, both from the Trump campaign itself, from former MIS agent Michael Steele, and from others (see fig. 1-7 in attachment).
- 4. US National Security Advisor Rice has requested that we continue our surveillance, during the transition period, as internal US intelligence is potentially compromised by the incoming Trump administration.
- 5. For these reasons, we are requesting that FULSOME's charter be renewed for another 90 days.

Sincerely,
Robert Hannigan

Because Syria bombed Syria,
we bombed Syria to make
Syria stop bombing Syria ?

Yes bombing Syria will make
Syria stop bombing Syria and
teach Syria that only we can

Seven Countries In Five Years

General Wesley Clark, March 2007

About ten days after 9/11, I went through the Pentagon and I saw Secretary Rumsfeld and Deputy Secretary Wolfowitz.

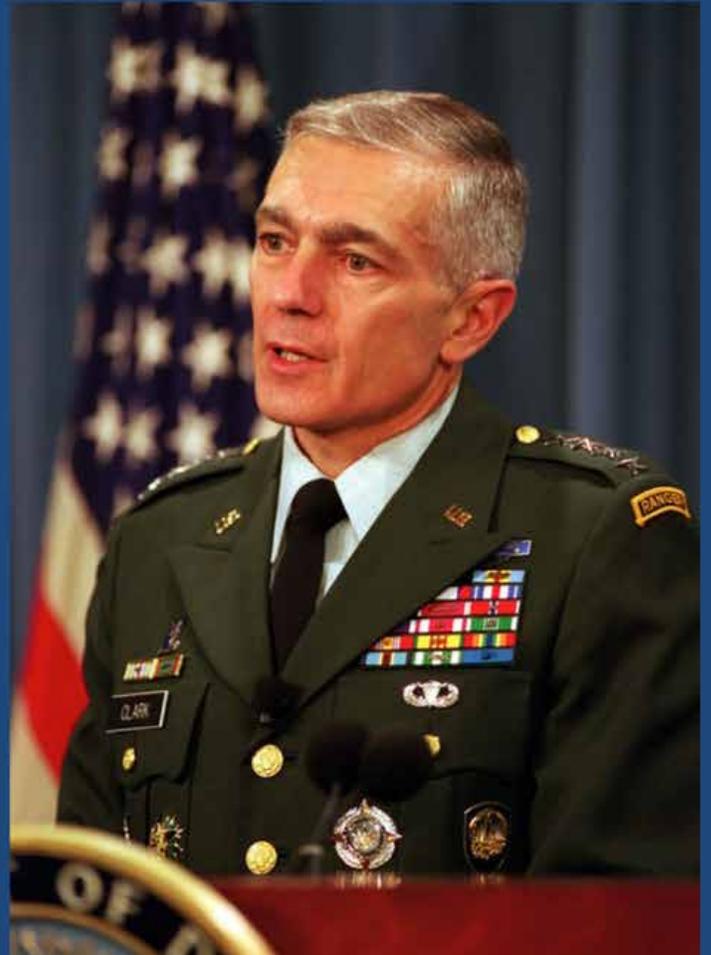

One of the generals called me in. He said, "We've made the decision we're going to war with Iraq."

"We're going to war with Iraq?" I said, "Why?"

"I don't know," he said.

I came back a few weeks later; by that time we were bombing Afghanistan. I said, "Are we still going to war with Iraq?"

He said, "Oh, it's worse than that... we're going to take out seven countries in five years, starting with Iraq, and then Syria, Lebanon, Libya, Somalia, Sudan and, finishing off, Iran."

William Binney
NSA Veteran, Technical Director
William Binney's career with the NSA spanned more than 39 years, and in that time, he acquired the title of Technical Leader for intelligence. After September 11, 2001, he was appalled that the agency didn't stop the attacks. He started exposing waste and corruption, through proper legal channels, and faced illegal retaliation as a result. However, he maintained his integrity and was vindicated. Now many refer to him as the original Snowden. In recent years, Binney has engaged in activism in support of the countless victims being tortured with electromagnetic weapons. He began supporting these targeted individuals when he gave a speech at the 2015 Covert Harassment Conference. More recently, in late-2016, Binney along with his former NSA colleague J. Kirk Wiebe, announced on the *Triumph Over Terror* website that they were launching scientific surveys to supplement the overwhelming evidence related to these crimes against humanity. He helps targeted individuals understand the bigger picture behind the subjugation of at least tens of thousands of Americans with electromagnetic weapons. He states that it's about subverting democracy to expand the budgets & power of criminal cliques within the military-industrial complex a.k.a. the Deep State. [Learn More.](#)

John DeCamp, US Army Capt. (Ret).
Army Intelligence Officer; Lawyer; Senator
John DeCamp first learned about the machinations of the Deep State while serving as an Army intelligence officer in Vietnam, under former CIA director William Colby. Upon retirement from the army, DeCamp served as a Nebraska State Senator, and also established a successful legal practice. However, he didn't rest on his laurels. In the early 1990s, DeCamp took a lead role in investigating the Franklin Savings & Loan child-abuse and money laundering scandal that rocked the state and nation. His investigation uncovered the darker side of mind and behavioral control, used in what's now generally referred to as the Monarch Program. Children, recruited and programmed at the nearby Offutt Air Force Base, were radically used to serve the disgusting pleasures of corrupt elements among the elite, and to compromise Congressmen and other officials in blackmail operations. A documentary was produced on the horrible crimes for the Discovery Channel. The exposé was entitled *Conspiracy of Silence*, and it was set to air in 1994. However, despite advertising the air-date, the documentary was pulled at the last minute due to political pressures. [Read more.](#)

Attention T.I. Community

A letter has been circulating in the T.I. community regarding my published ebooks. I am the sole author of my ebooks, and my name is clearly shown on the book cover. It is truly unfortunate when one individual, finds it necessary to misrepresent what I have published. I will continue to express my opinions, which are protected under the U.S. Constitution. Any real lawyer can confirm this - Opinions are protected speech. It is perfectly legal to publish my opinions on any subject. The Board of Directors at Targeted Justice has informed me, they fully support my efforts.

In spite of certain claims, posting an address is not illegal - please visit Zabasearch.com or Veripages.com. You will find the home address for almost anyone in the U.S. If this was illegal, then it would not be public information and freely available for more than 10 years.

Also, the FBI's use of the term "Non-Investigative Subject" is further evidence that the Watchlist is a sham. Why would the DOJ & FBI claim someone is a "known or suspected terrorist," place them on the Watchlist, and then not investigate them?

Why would the FBI claim the Watchlist is "Classified Top Secret information" and then share the database with 700 private corporations - many without proper security clearances? Because the Watchlist is a sham and a coverup, to hide the Targeted Individual program. The Dept of Justice has already lied about this twice, to Federal Judge John Anderson. The Watchlist is a sham!

Overview of the Targeted Individual Program

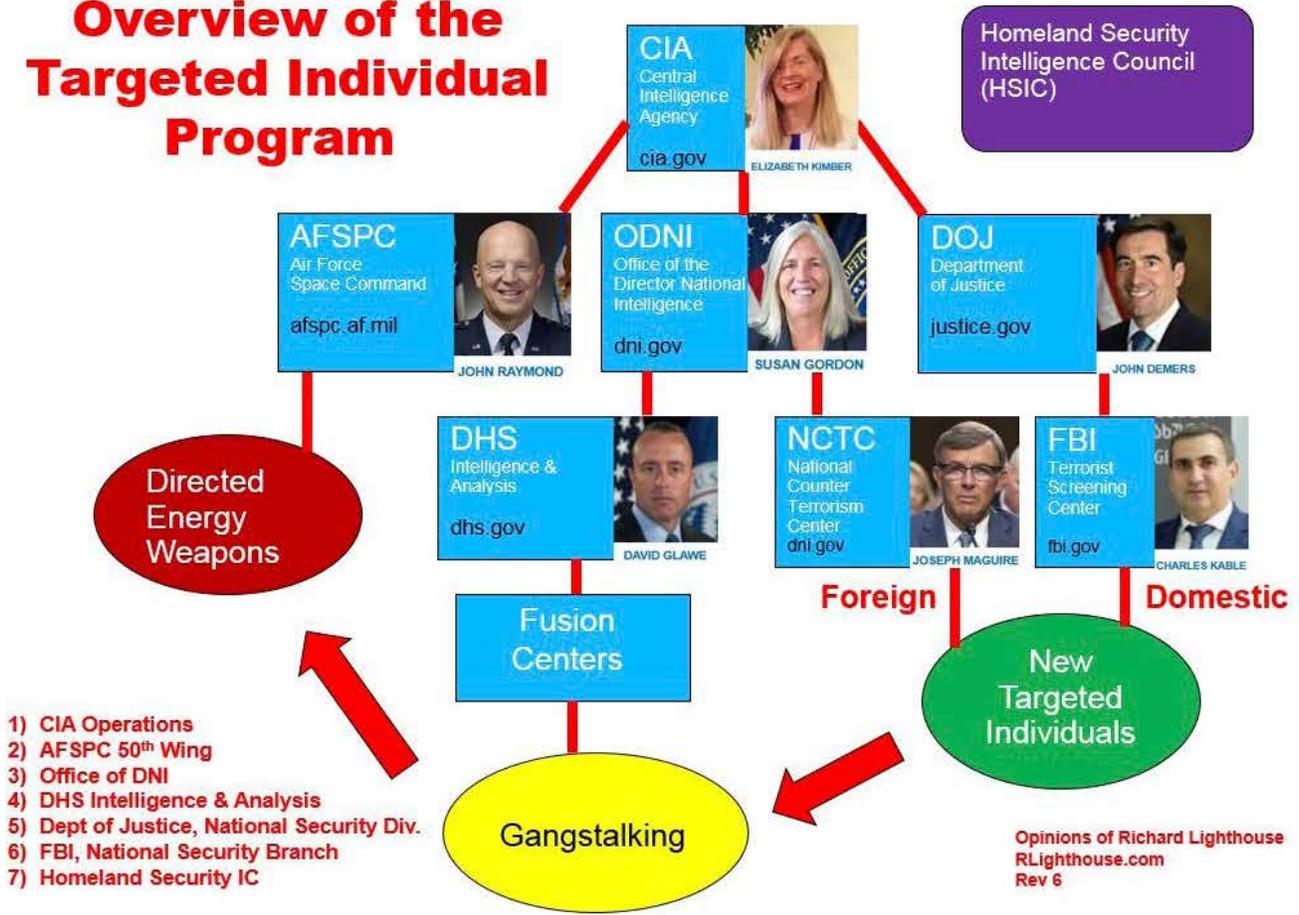

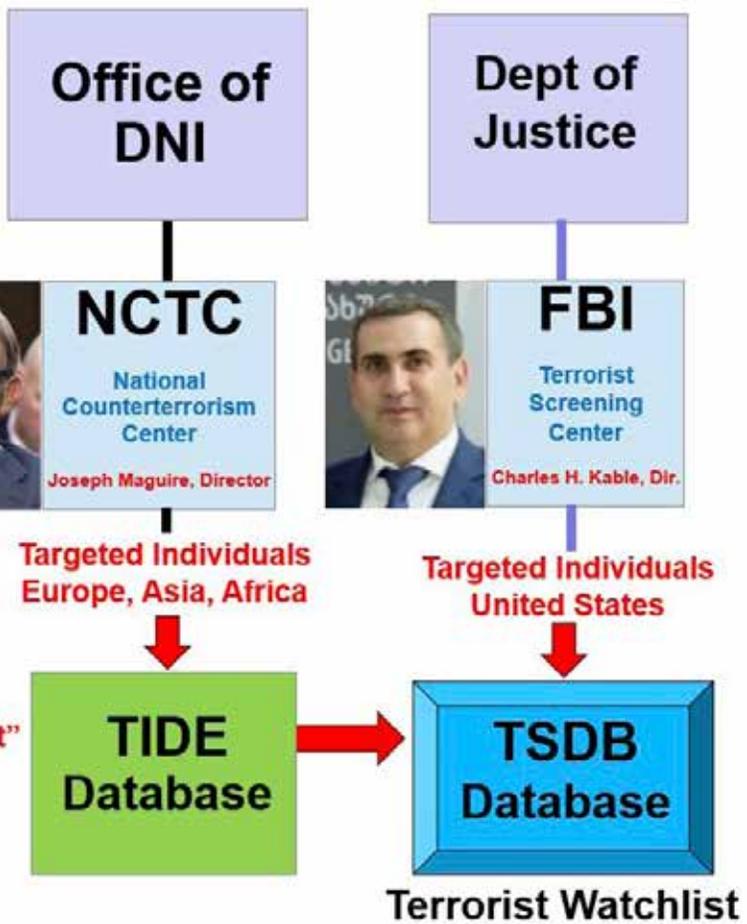

Figure T-1

Targeted Individuals

Opinions of Richard Lighthouse:
The Watchlist is a Scam: Dept of State 2012 analysis counted a maximum of 184,000 terrorists worldwide, while the 2012 TSDB Watchlist counted almost 1 million records of known or suspected terrorists... In 2019, most of the TSDB records are Targeted Individuals or "Non-Investigative Subjects."

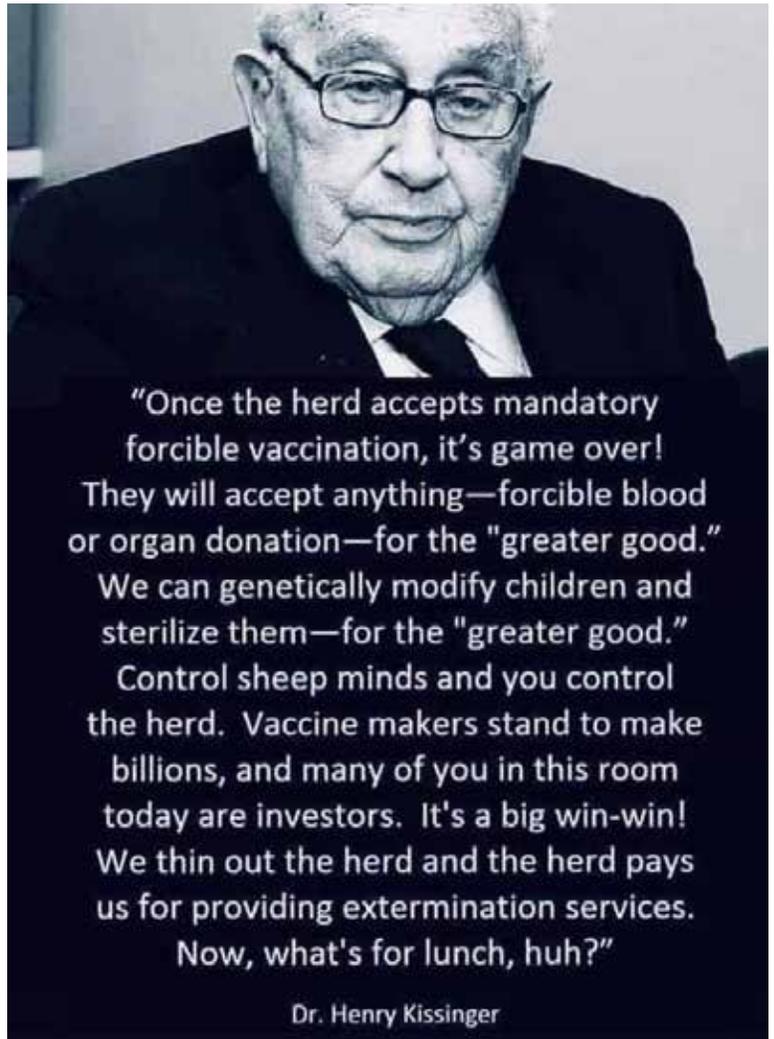

"Non-Investigative Subject" (NIS) means "Targeted Individual"

THE PINK POPE

LEADER OF THE PEDOPHILE MAFIA

Cardinal Tarcisio Bertone — nicknamed “the Pink Pope” — is the secret leader of a “gay” and “pedophile” network inside the Vatican. And that is the largest pedophile ring in the world. In the U.S. alone, the Catholic Church has paid nearly \$4 billion in lawsuits involving priests molesting and raping children. But the Vatican continues to protect and enable pedophile priests. Instead of pursuing justice, the Catholic Church relocates criminal clergy to another diocese — where more children are sexually abused.

Minutes after the 9/11 attacks Israeli Minister of Defence Ehud Barak claimed Osama Bin Laden was behind and that a 'War on Terror' had to be launched.

“I saw a missile hitting the Pentagon, not a plane. All of the sensors were turned off that day, one apparently did not turn off and it shows this object hits the Pentagon and it did not look like an airplane.”

Quentin Tarantino in...

Above is Quentin Tarantino sucking the toes of an unknown person. At left is Quentin Tarantino displaying his Oscar.

The Oscar statuette is known to be 13.5 inches in height. This dimension was used to establish a standard of measure that could be used to a reasonable degree of accuracy in both photos.

Measuring from the corner of Tarantino's left eye to the bottom of his left chin in the Oscar photo gave a result of 4.874 inches. The toe-sucking photo was sized to match that scale.

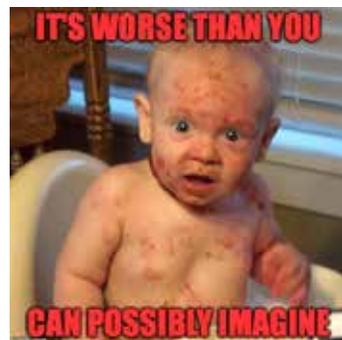

When the same ruler, at the same magnification, is used to measure the tibia length of the leg of the unknown person, the measurement is approximately 10 inches—at best, possibly less.

A formula used in forensics to determine height is 4.77 times tibia length for males, 4.88 times tibia length for females. If that is a female leg and foot, that means that the unknown person in the photo is approximately 48.8 inches tall, or slightly over 4 feet tall. According to the CDC average growth charts:

The unknown person likely is between 6 and 8 years old.

“Extremely well organized”

“These guys were just committed zealots and willing to give it up for the cause without really being key members of the network. They were told what to prepare for, what to train for. They were not the ones calling the shots. We don’t have anything in history to compare with this. The only thing that comes close to it is a former Soviet intel operation.”

- Larry Johnson, former Deputy Director of Counter-Terrorism, U.S. State Department, Sept. 28, 2001

After 9/11, with no evidence, the Bush administration went to war claiming Al Qaida, an Islamist group under the Taliban regime in Afghanistan, was behind the attacks. The U.S. quickly invaded Afghanistan. NATO went on to take charge of the operation in which hundreds of thousands of American and European soldiers have served.

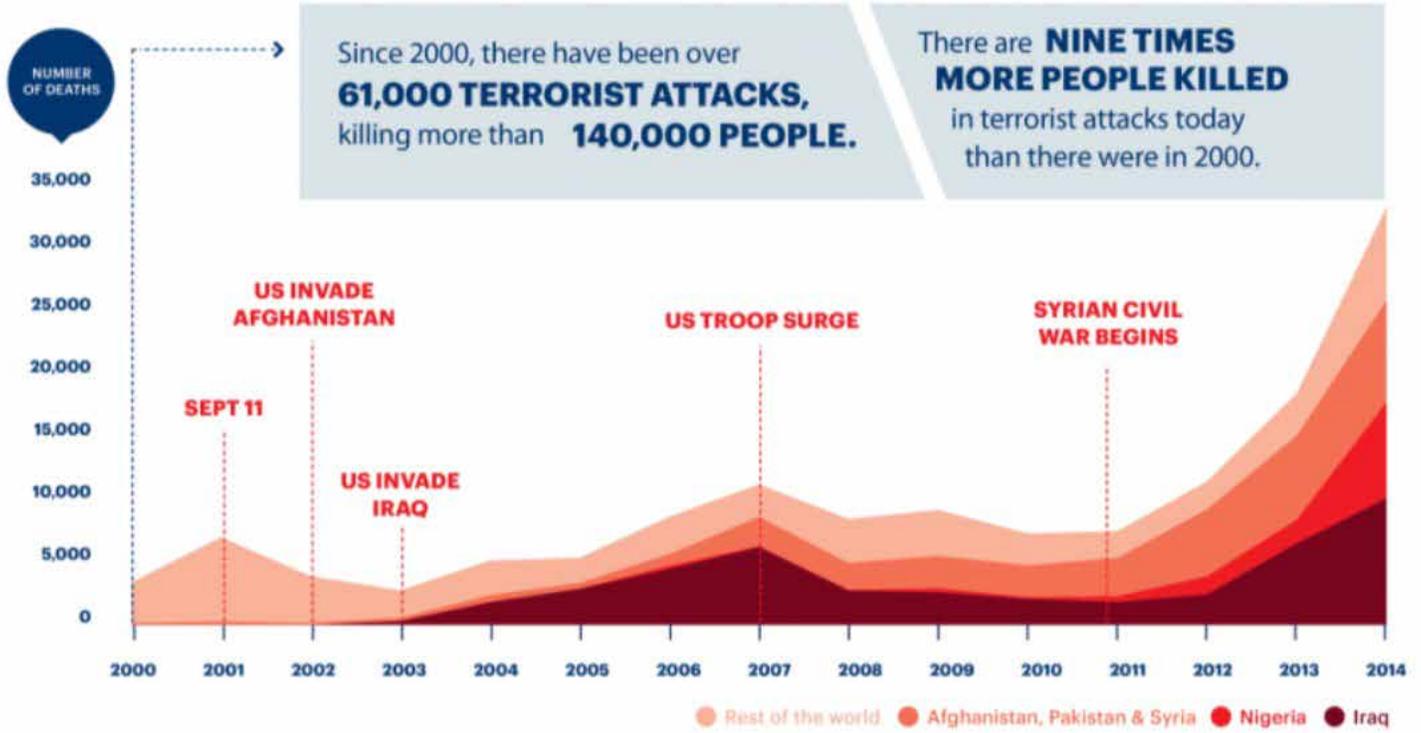

9-11 was a *policy coup* that brought us the War on Terror – and a series of costly wars.

THE 9/11 WARS OF AGGRESSION
The War on Terror begins in Afghanistan, October 7, 2001

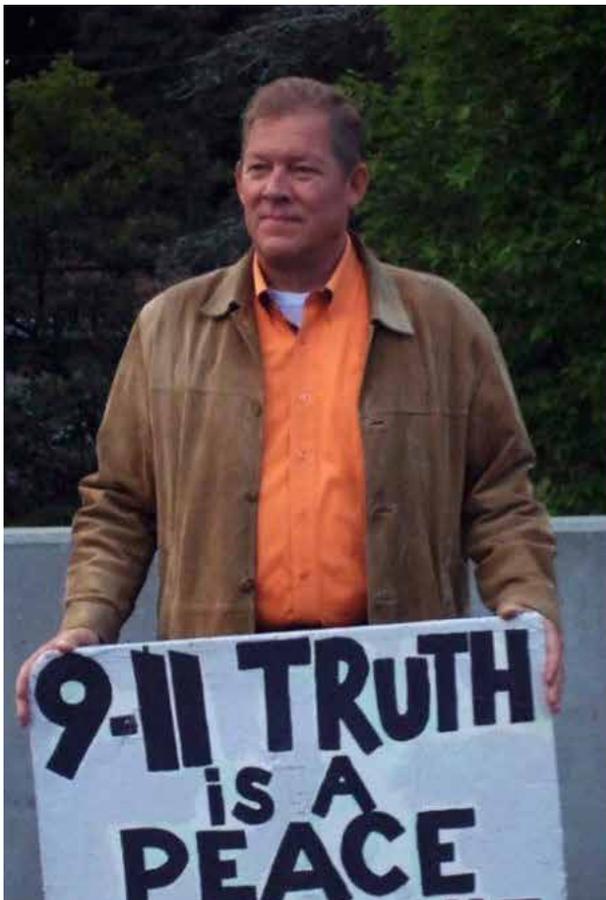

**The war in Afghanistan costs the U.S. taxpayer \$4 million per hour;
\$773 billion since 2001.**

WAR ON TERROR or WAR OF TERROR?

Deaths due to terrorism have spiked during the War on Terror, especially where the U.S. has waged war. Such failure suggests that the War on Terror has nothing to do with fighting terrorism.

9/11 was carried out to start the War on Terror, a global war of aggression, terrorism, and conquest. 9/11 was designed to trick us into supporting an open-ended and *criminal* war agenda.

The fraudulent War on Terror has ruined the lives of millions and cost trillions of dollars.

Our civic duty obliges us to resist the deception, which enslaves us to the criminal war agenda. In order to resist the deception we must first understand it.

Failure to resist is to betray our nations, our progeny, and our hope for peace,

The same controlled media outlets supporting the lies about 9/11 and the War on Terror are behind the anti-Russia propaganda we are being subjected to on a daily basis.

Cost of the War on Terror (USA)

**The 9/11 Wars since 2001 have cost:

Total = \$1.76 trillion**

**Homeland Security:

Total = \$741 billion**

But what is the War on Terror?

The War on Terror is an Israeli stratagem, pushed by Netanyahu since 1979, to get the U.S. military into the Middle East – to wage war on behalf of the Zionist state.

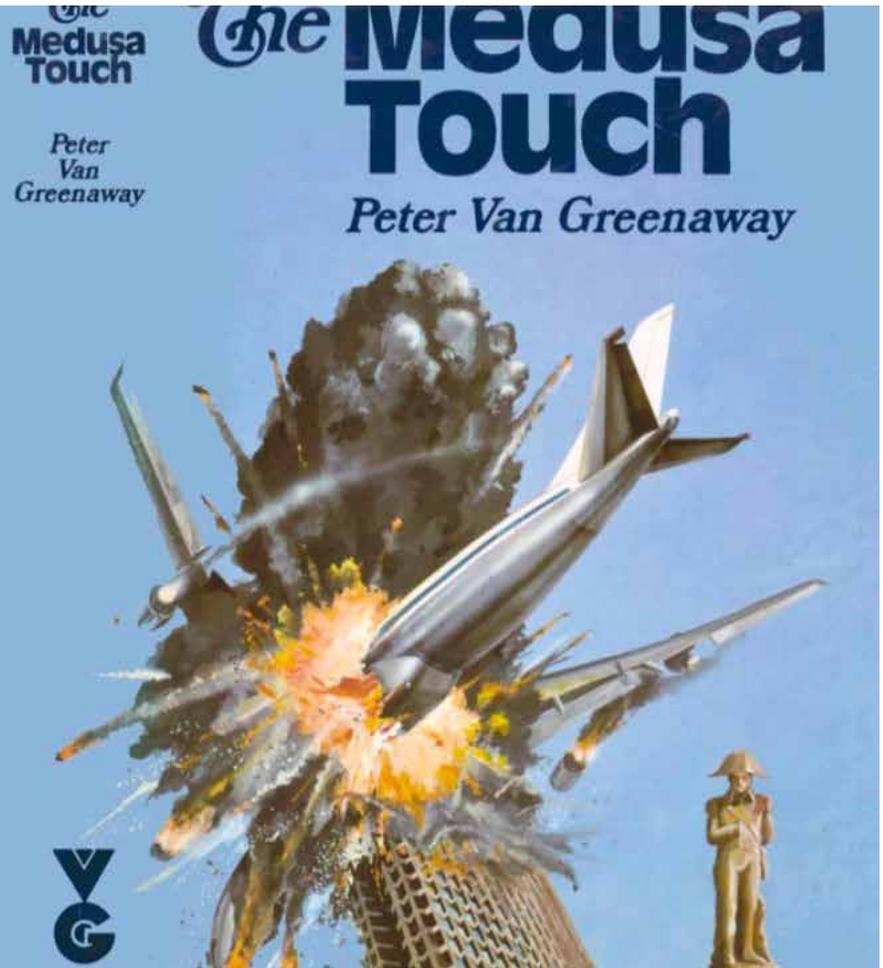

MASTERMINDS OF ISRAELI TERRORISM, 1954 – The Lavon Affair: Israelis bomb U.S. Information Agency libraries in Egypt in false flag operation to be blamed on Muslim Brotherhood. The masterminds: Dir. of Def. Min. Shimon Peres, defense minister Pinhas Lavon, chief of staff Moshe Dayan, and deputy Yosef Avidar, August 19, 1954.

Israeli agent Arnon Milchan makes his first film, *The Medusa Touch*, which features a 9/11 type attack.

Coincidence... or prescience?

IDEATION 2000 - Rupert Murdoch, Milchan's partner and landlord, makes a film in which a remotely-hijacked plane is flown into the Twin Towers. Program airs on FOX TV in March 2001 – six months before 9/11.

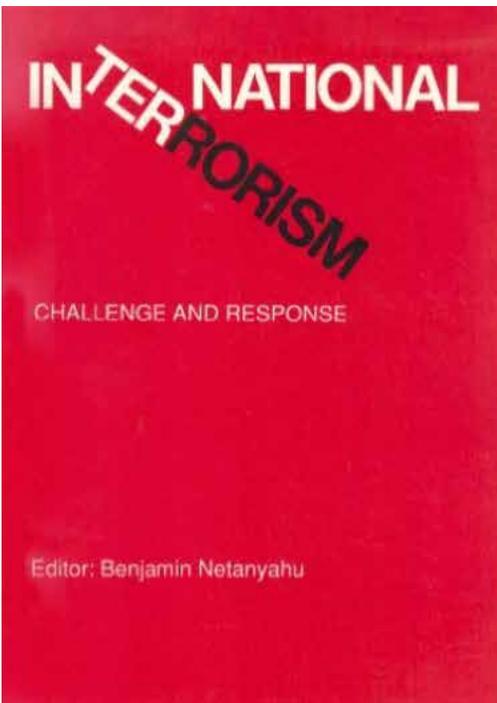

Milchan, with a long history as an Israeli money launderer, is said to be worth \$5.2 billion. Where does his money come from?

**The Jerusalem Conference
The Birth of the War on Terror Doctrine**

In the summer of 1979, a group of powerful and influential people joined to launch an international *propaganda offensive* to promote and exploit the issue of 'international terrorism'. The propaganda blitz originated in Jerusalem...

This 'anti-terrorist' propaganda campaign was conducted in a style reminiscent of wartime 'psychological warfare' by journalists serving as conduits and spreaders of misinformation originating in Jerusalem...

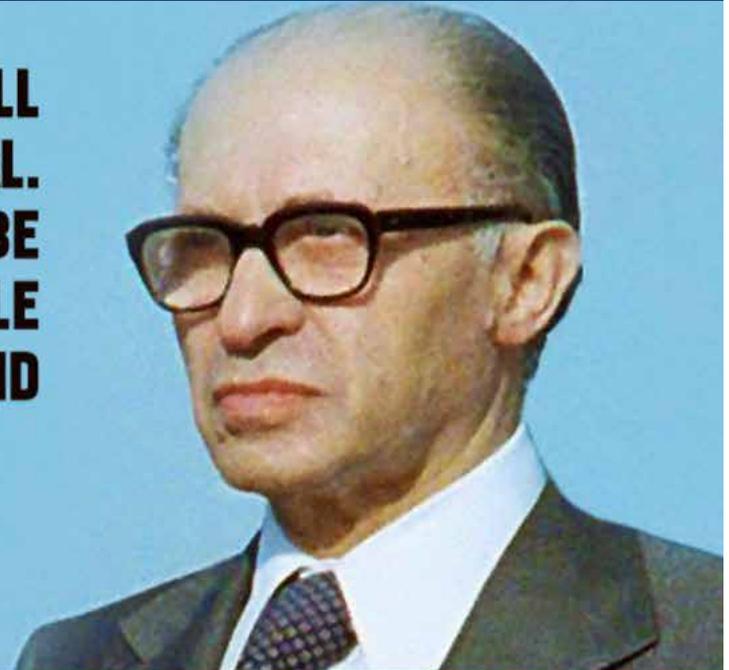

The anti-terrorist doctrine crystallized around the Begin administration in Israel, where he launched the propaganda offensive in July 1979.

**JERUSALEM WAS AND WILL

-MENACHEM BEGIN

Unwilling to change its policies, and resisting the pressure of world opinion, the Israeli government launched a propaganda war to avoid confronting the issue of Palestinian self-determination... *Relaxation of superpower hostility* could trigger a thaw in U.S.-Soviet relations, and a settlement in the Middle East which would include the Palestinians would then be conceivable. This was a development the Begin administration wished to avoid at all costs.

THE FATHER OF TERRORISM

"How does it feel, in the light of all that's going on, to be the father of terrorism in the Middle East?"

"In the Middle East?" he [Begin] bellowed, in his thick, cartoon accent. "In all the world!"

- Menachem Begin to Russell Warren Howe, January 1974

“THE DISSOLUTION OF SYRIA AND IRAQ... into ethnically or religiously unique areas such as in Lebanon, is Israel’s primary target on the Eastern front... while the dissolution of the military power of those states serves as the primary short term target.”

- Oded Yinon, “A Strategy for Israel in the Nineteen Eighties,” Feb. 1982

U.S. WAR IN SYRIA IS “BEST WAY TO HELP ISRAEL” – In 2012, Secretary of State Clinton wrote, the “best way to help Israel” is to “use force” in Syria to overthrow the government. Her email reveals that ousting the Syrian government is in Israel’s interests — not America’s.

The 9/11 cover-up is an essential part of the deception.
The ultimate purpose of the terror atrocity was
to deceive the public into supporting the War on Terror.

"We to this day don't know why NORAD told us
what they told us, it was just so far from the truth."

- Thomas Kean, Chairman of the 9/11 Commission

"The US government made a decision not to tell the truth about what happened."

Senior Counsel to the 9/11 Commission

NOTE: Six out of the Ten 9/11 Commission members have gone on record since to admit there was a U.S. government cover-up.

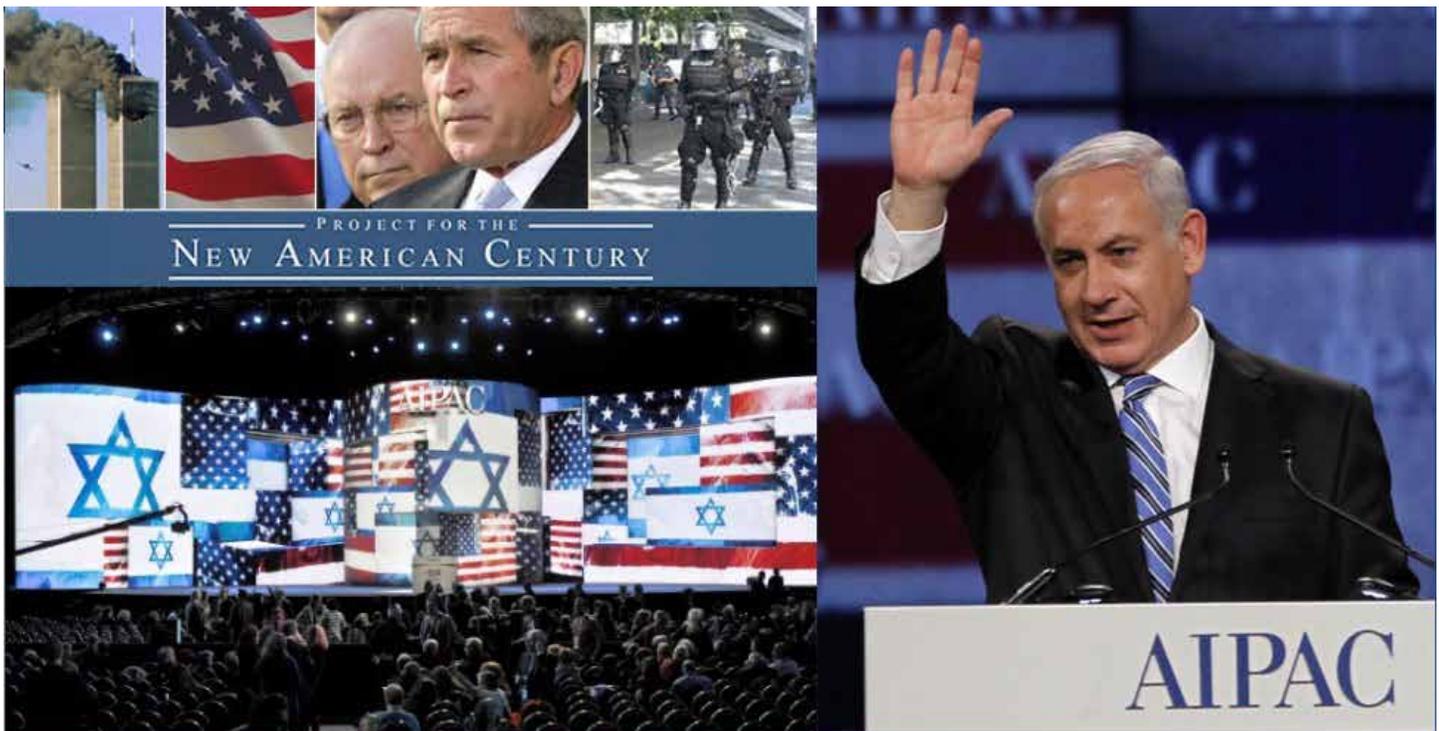

"What government and military officials told Congress, the Commission, the media, and the public about who knew what when — was almost entirely, and inexplicably, untrue."

- John Farmer, Senior Counsel, 9/11 Commission

THE 9-11 MYTH MAKER

Phillip Zelikow, executive director of 9-11 Commission report – the official myth.

The evidential trail for 9/11 and the wars in Afghanistan and Iraq runs from PNAC, AIPAC and their cohorts; through the mostly Jewish neo-cons in the Bush Administration; and back to the Israeli government. None of the denials and political machinations can alter that essential reality.

- Dr. Alan Sabrosky, former Director of Studies U.S. Army War College
 "Treason, Betrayal and Deceit: 9/11 and Beyond" (2009)

Seven Countries In Five Years General Wesley Clark, March 2007

About ten days after 9/11, I went through the Pentagon and I saw Secretary Rumsfeld and Deputy Secretary Wolfowitz.

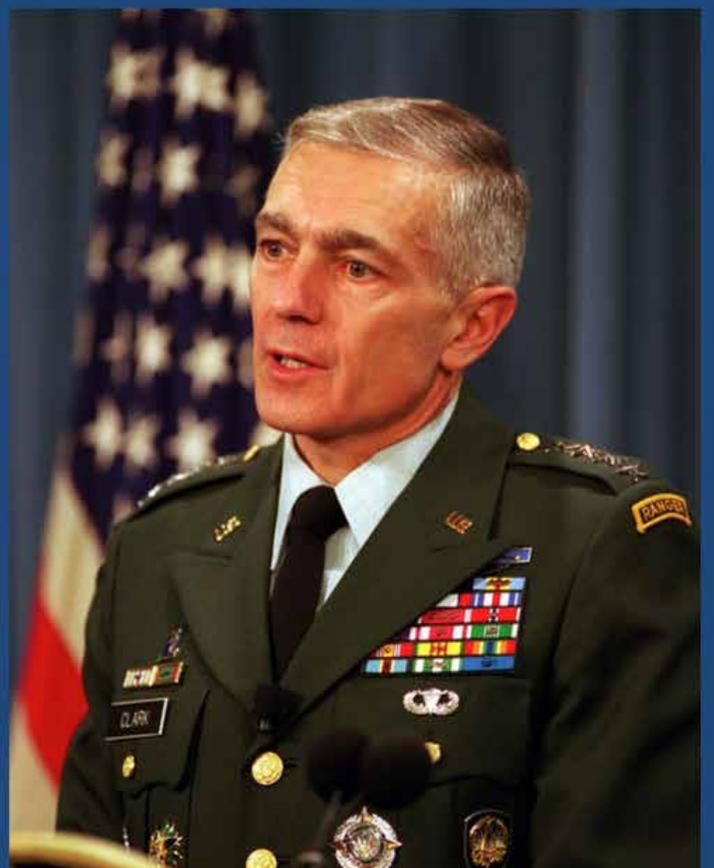

One of the generals called me in. He said, "We've made the decision we're going to war with Iraq."

"We're going to war with Iraq?" I said, "Why?"

"I don't know," he said.

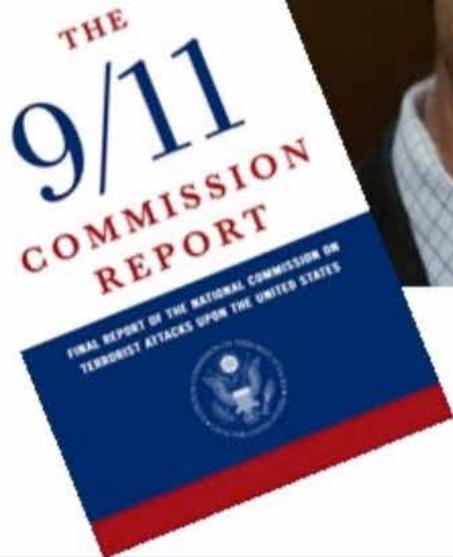

I came back a few weeks later; by that time we were bombing Afghanistan. I said, "Are we still going to war with Iraq?"

He said, "Oh, it's worse than that... we're going to take out seven countries in five years, starting with Iraq, and then Syria, Lebanon, Libya, Somalia, Sudan and, finishing off, Iran."

March 2003:

Zelikow completed outline of 9/11 Commission Report – before staff even began working.

“Long part of the Hollywood and Tom Clancy repertory of nightmarish scenarios, catastrophic terrorism has moved from far-fetched horror to a contingency that could happen next month.”

- P. Zelikow, Catastrophic Terrorism Study Group, August 1998

As executive director of the 9/11 Commission, Zelikow framed the agenda, led the research staff, and decided what evidence the commission saw.

Bin Laden was, though, a product of a monumental miscalculation by western security agencies... Al-Qaida, literally "the database", was originally the computer file of the thousands of mujahideen who were recruited and trained with help from the CIA [and Israeli intelligence] to defeat the Russians.

- Robin Cook, Guardian, July 8, 2005

1983 - The C.I.A. began arming Afghan *mujahideen*.
Israel, Saudi Arabia, and Pakistan were the agency's allies.

1983 - Charlie Wilson (D-TX),
a Zionist Congressman,
acts as an Israeli weapons dealer
and with Mossad
arranges Israeli weapons
and **training** for the Hezb-i-Islami
mujahideen led by
Gulbuddin Hekmatyar.

The C.I.A. funds Israeli weapons
and training for Hekmatyar's militia.

Why would the C.I.A.
and Israeli military intelligence
choose to train and arm
the most virulently
anti-Western *mujahideen*?

Thousands of Afghan Arabs joined Hezb-i-Islami. Osama bin Laden was the most famous Afghan Arab. By 1984, with C.I.A. funding and Israeli training, Gulbuddin and bin Laden develop close ties.

Ehud Barak directed Israeli Military Intelligence (AMAN 1983-1985) when it armed and trained the anti-Western Hezb-i-Islami.

ALI MOHAMED - a Hebrew-speaking double-agent, was bin Laden's "first trainer". He trained bin Laden, Ayman al-Zawahiri, and the terrorists responsible for bombing the U.S. embassies in Africa. He was involved in all al Qaeda terrorist activities during the 1990s.

"In 1992, I conducted military and basic explosives training for al Qaeda in Afghanistan... I also conducted intelligence training for al Qaeda. I taught my trainees how to create cell structures that could be used for operations."

Source - "United States of America v. Ali Mohamed"

Having lost Saudi support when it supported Saddam Hussein, and Pakistani support after 1994, "the remainder of Hezb-i-Islami merged into al-Qaeda and the Taliban."

Source - The Columbia World Dictionary of Islamism

The War on Terror needed a foe; an enemy of the West. The Soviet invasion of Afghanistan in 1979 gave Israeli military intelligence the opportunity to create the cadre of an Islamist foe when it began arming and training Hezb-i-Islami.

SITE (Search for International Terrorist Entities, since 2002) provides intelligence about terrorist groups to a wide range of paying clients, including Western media, military, and intelligence agencies.

THE ZIONIST CONNECTION – Israeli Chief-of-Staff Shaul Mofaz and Zionist Neo-Cons at the Pentagon, January 18, 2002.

THE MOSSAD CONNECTION

Charlie Wilson’s Israeli handler was Zvi Rafiah, Mossad station chief in Washington.

The Mossad’s Rafiah knew Wilson since 1973.

Rafiah used Wilson’s congressional office as if it were his own.

“Rafiah always acted as if he owned Wilson’s office. One of the staffers kept a list of people he needed to lobby. He would use the phones, give projects to the staff, and call on Charlie to intervene whenever he needed him.”

The Latest Phase of the War on Terror: Islamic State

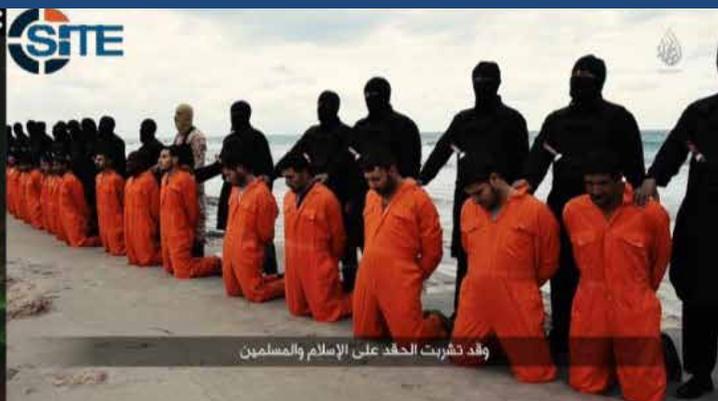

In 2014, SITE Intelligence Group, an Israeli-intel outlet, sent an ISIS beheading video to its subscribers – before ISIS had even released the video.

“We will strike you in your homeland,” Adnani warned, calling on Muslims to kill Europeans, “especially the spiteful and filthy French... Smash his head with a rock, or slaughter him with a knife, or run him over with your car,” he said, according to **SITE Intelligence Group**.

*The location from where the video was obtained from is the location where ISIS usually uploads their original videos to [sic]. The video shows a clear message from ISIS that follows the same message that it had before. **And in fact within a short time after our release, ISIS’ account on social media indicated that within a short time they would be releasing the video, only we actually had that video beforehand and were able to beat them with the release.***

Wired Pentagon Kills LifeLog Project

PENTAGON KILLS LIFELOG PROJECT

THE PENTAGON CANCELED its so-called LifeLog project, an ambitious effort to build a database tracking a person's entire existence.

Run by Darpa, the Defense Department's research arm, LifeLog aimed to gather in a single place just about everything an individual says, sees or does: the phone calls made, the TV shows watched, the magazines read, the plane tickets bought, the e-mail sent and received. Out of this seemingly endless ocean of information, computer scientists would plot distinctive routes in the data, mapping relationships, memories, events and experiences.

LifeLog's backers said the all-encompassing diary could have turned into a near-perfect digital memory, giving its users computerized assistants with an almost flawless recall of what they had done in the past. But civil libertarians

Lifelog is an ontology-based (sub)system that captures, stores, and makes accessible the flow of one person's experience in and interactions with the world in order to support a broad spectrum of associates/assistants and other system capabilities". The objective of the LifeLog concept was "to be able to trace the 'threads' of an individual's life in terms of events, states, and relationships", and it has the ability to "take in all of a subject's experience, from phone numbers dialed and e-mail messages viewed to every breath taken, step made and place gone".

The Facebook service can be accessed from devices with internet connectivity, such as personal computers, tablets and smartphones. After registering, users can create a customized profile revealing information about themselves. Users can post text, photos and multimedia of their own devising and share it with other users as "friends". Users can use various embedded apps, and receive notifications of their friends' activities. Users may join common-interest groups.
