Oracle: You've got the gift but it looks like you are waiting for something.

Neo: What?

Oracle: Your next life maybe, who knows? That's the way these things go.

Know yourself

"Know Yourself". Learn to trust that inner voice which has woken inside you. Develop your faith, connect directly to God, let go of false religiosity and embrace Christ "in you". Then his Spirit will empower you. Note: "the people that do know their God shall be strong and do exploits"(Dan. 11:32).

Do you know
"de wey"?

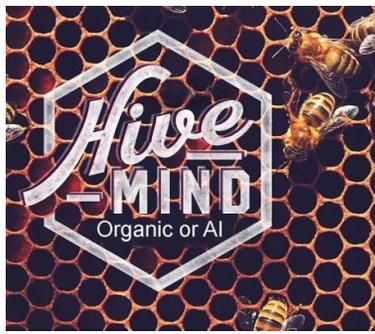

Feed your head...

Neo: Q posted a Nazi-Vatican-CIA link - <http://bit.ly/CIA-Pope>

Oracle: Yes, it confirms what the PINK BUNNIES have been saying.

Neo: Many fear the **reaqer** and don't know "**de wey**".

Oracle: Wake them up and show them how to fight back...

The Hive Mind. Is it organic, AI, or both? Is it to be feared, embraced, or both?

How can one "know thyself" when self is part of a collective mind?

What is the difference between the collective conscious, the collective unconscious, and the Universal Mind?

ARTIFICIAL TELEPATHY: a highly developed SRI & SAIC & DARPA and NRO technology that has been highly developed for over 20 years already, but not released on the commercial marketplace yet. Don't forget your cell phone and internet social networks were being used by military research personnel LONG BEFORE it was ever sold to you!

There is nothing to fear, though swarming bots and hive mind technology exist. There is nothing to fear also from the adepts who employ occult knowledge to their advantage.

All knowledge comes from the stars (the Universal Mind). Men do not invent or create ideas; the ideas exist and men are able to grasp them.
- Paracelsus

"In addition to our immediate consciousness, which is of a thoroughly personal nature... there exists a second psychic system of a collective, universal, and impersonal nature which is identical in all individuals."
C.G. Jung

The infinite wifi signal for the ancients - was a pineal gland modem hooked up to the universe

What wise men have sought to describe and so-called adepts have sought to control, is here and always has been.

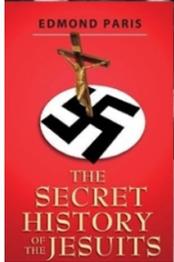

Acts 17: 27-28 ...he be not far from every one of us: For in him we live, and move, and have our being...

What some call universal mind and others acknowledge as God has revealed himself through both creation and special revelation. He has made known his desire for genuine relationship.

Those who enter an intimate personal relationship can partake of the divine, join with the mind of God, connect to the body of believers, and have all things work together for good.

That is true spiritual power and cannot be overcome. That type of connectivity is far more powerful than artificial hive-mind technology.

The signing of the Reichskonkordat on July 20, 1933 in Rome. (German Vice-Chancellor Franz von Papen representing the Nazis, Cardinal Secretary of State Eugenio Pacelli (later the Pope) representing Rome.

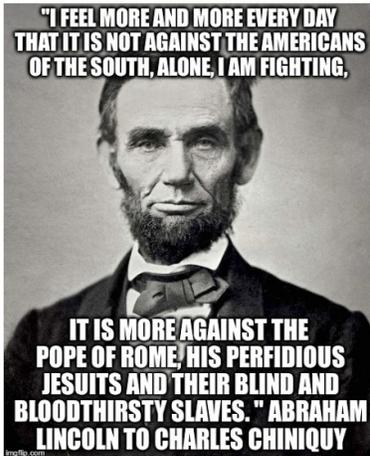

There are over 200 concordats in force today, including this one. Meet the people who brought you WWII. The Vatican still has privileges in Germany and receives taxes from them, because of this agreement. Marquis de LaFayette

*"It is my opinion that if the liberties of this country - the United States of America - are destroyed, it will be by the subtlety of the Roman Catholic **Jesuit** priests, for they are the most crafty, dangerous **enemies** to civil and religious liberty. They have instigated **MOST** of the wars of Europe."* - Marquis de LaFayette (1757-1834; French statesman and general. He served in the American Continental Army under the command of General George Washington.

*"My history of the **Jesuits** is not eloquently written, but it is supported by unquestionable authorities, [and] is very particular and very horrible. Their [the **Jesuit Order**' s] restoration [in 1814 by Pope Pius VII] is indeed a step toward darkness, cruelty, despotism, [and] death. ... I do not like the appearance of the **Jesuits**. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this **Society of [Ignatius de] Loyola**."*

John Adams (1735-1826; 2nd President of the United States)

— H. P. Blavatsky —

"It is curious to note too, that most of the bodies (Secret societies) which work these (sacred rites), such as the Ancient and Accepted Scottish Rite, the Rite of Avignon, the Order of the Temple, Fesslors Rite, the Grand Council of the Emperors of the East and West, Sovereign Princes (of) Masons, etc, etc, are nearly all the 'offspring' of the Son's (Jesuits) of Ignatius Loyola. The Baron Hundt, Chevalier Ramsey, Tschoudy, Zinnendorf, and numerous others, who founded the 'grades' in these rites, worked under instructions from the General of the Jesuits."

Riders on the Storm - Rey Perez

Qanon surfs the storm waves... BIKERS ride on the storm... The White Rabbit floats in the mist... The Hatter stands tall, strangely unaffected... The Papacy sinks beneath the storm waves, exposed as the **anti-Christ** system of prophecy

Neo: The control system is run by the Vatican

This entire concept of the alphabet of the divine being our digits 0-9, using English Gematria, is shown below. A few things of utmost importance must be noted here: adding up the numbers to the letters of the words ZERO, ONE, TWO, THREE, FOUR, FIVE, SIX, SEVEN, EIGHT and NINE, sums to 180, or half of a pi [360/2 = 180] with 180 being the degrees within a triangle, or what is speakably our Holy Trinity.

ZERO	ONE	TWO
1552-13	275-9	742-13
THREE	FOUR	
7455-28	6265-16	
FIVE	SIX	SEVEN
6533-21	453-14	6651-22
EIGHT	NINE	
66761-20	1015-12

The Holy Trinity

It is also quincessential to note that ZERO, representing the all or nothing of God, sums to 13, the same as LORD, GOD, SUN and the TEN fingers of your two hands (representing you, with the clarity of the mathematician's hand, of your equality with the great creator.

ZERO	GOD	LORD	SUN	TEN

Everything Like Veiled in Numbers - John Farrow

5 is the first prime position. It functions as a star in some respects bouncing back and forth across the system counter clockwise.

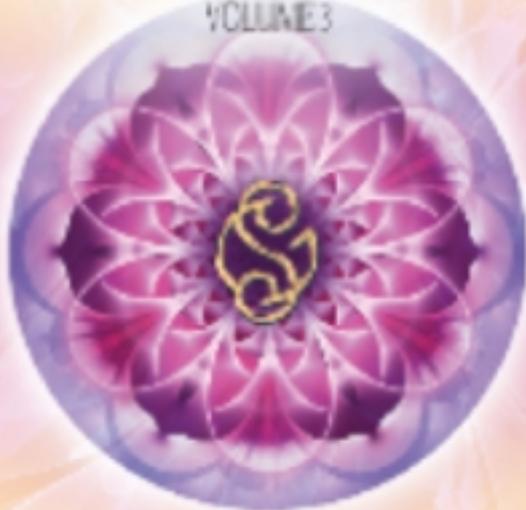

7 is the second prime position. It mirrors the path of 5 touching each position exactly opposite criss-crossing 5's path clockwise.

Exceptions to the prime positions occur when primes interact with each other. The first exception (25) to the prime position is when 5 multiplies by itself, or is squared. The second exception (35) is 5 interacting with 7. All other exceptions are multiples of 5 and 7 or 11 and 13. All squared primes land in position 1. All twin primes (pairs on the sides of 6 or 12 add up to be a multiple of 13.
